

UNICEF THE STATE OF THE WORLD'S CHILDREN

Table 1 Basic Indicators

1. Under-5 mortality rate U5MR by sex
2. Infant mortality rate IMR
3. Neonatal mortality rate NMR
4. Total population
5. Annual no. of births
6. Annual no. of under-5 deaths
7. GNI per capita (US\$)
8. Life expectancy at birth (years)
9. literacy rate (%)
10. Primary school net enrolment ratio (%)

Table 2 Nutrition

11. Low birthweight(%)
12. Early initiation of breastfeeding(%)
13. Exclusive breastfeeding<6 months (%)
14. Introduction of solid, semi-solid or soft foods 6–8 months (%)
15. Breastfeedingat age 2 (%)
16. Underweight (%) Stunting (%) Wasting (%) Overweight (%)
17. Vitamin A supplementation, full coverage Δ (%)
18. Iodized salt consumption (%)

Table 3 Health

19. Use of improved drinking water sources (%)
20. Use of improved sanitation facilities (%)
21. Routine EPI vaccines financed by government (%)
22. Immunization coverage (%) (BCG DPT1 β DPT3 β Polio3 MCV HepB3 Hib3
Newborns protected against tetanus (%))
23. Pneumonia (Care-seeking for children with symptoms of pneumonia (%),
Antibiotic treatment for children with symptoms of pneumonia (%))
24. Diarrhoea Treatment with oral rehydration salts (ORS) (%)
25. Antimalarial treatment for children with fever (%)

Table 4 HIV/AIDS

26. Adult HIV prevalence (%)
27. People of all ages living with HIV
28. Mother-to-child transmission Women living with HIV
29. Paediatric infections Prevention among young people (aged 15–24)

Orphans Women living with HIV, Children living with HIV

30. HIV prevalence among young people (%)

Comprehensive knowledge of HIV (%), Condom use among young people with multiple partners (%)

31. Orphans Children orphaned by AIDS, Children orphaned due to all causes, Orphan school attendance ratio (%)

Table 5 Education

32. Youth (15–24 years) literacy rate (%)

33. Number per 100 population Mobile phone, Internet users

34. Pre-primary school participation

35. Primary school participation

36. Secondary school participation

DEMOGRAPHIC INDICATORS

37. Population (thousands)

38. Population annual growth rate (%)

39. Crude death rate

40. Crude birth rate

41. Life expectancy

42. Total fertility rate

43. Urbanized population (%)

44. Average annual growth rate of urban population (%)

ECONOMIC INDICATORS

45. GNI per capita

46. GDP per capita average

47. annual growth rate (%)

48. Average annual rate of inflation (%)

49. Population below international poverty line of US\$1.25 per day (%)

50. Public spending as a % of GDP allocated to: ODA inflow

51. ODA inflow as a % of recipient GNI

52. Debt service as a % of exports of goods and services

53. Share of household income

WOMEN

54. expectancy:females as a % of males

55. Adult literacy rate: females as a % of males

56. Enrolment ratios: females as a % of males

57. Survival rate to the last grade of primary:females as a % ofmales

58. Contraceptive prevalence (%)

59. Antenatal care (%)

60. Delivery care (%)

61. Maternal mortality ratio†

CHILD PROTECTION

62. Child labour (%) +

63. Child marriage (%)

64. Birth registration (%) +

65. Female genital mutilation/cutting (%) +

66. Justification of wife beating (%)

67. Violent discipline (%) +

THE RATE OF PROGRESS

ADOLESCENTS

68. Adolescent population Adolescents currently

69. married/in union (%)

70. Births by age 18 (%)

71. Adolescent birth rate

72. Justification of wife beating among adolescents (%)

73. Use of mass media among adolescents (%)

74. Lower secondary school gross enrolment ratio

75. Upper secondary school gross enrolment ratio

76. Comprehensive knowledge of HIV among adolescents (%)

TABLE 12 DISPARITIES BY RESIDENCE

77. Birth registration (%) ++

78. Skilled attendant at birth (%)

79. Underweight prevalence in children under 5 (%)

80. Diarrhoea treatment with oral rehydration salts (ORS) (%)

81. Primary school net attendance ratio

82. Comprehensive knowledge of HIV (%) Females 15–24

83. Use of improved sanitation facilities (%)

DISPARITIES BY HOUSEHOLD WEALTH

84. Birth registration (%) ++

85. Skilled attendant at birth (%)

86. Underweight prevalence in children under 5 (%)

87. Diarrhoea treatment with oral rehydration salts (ORS) (%)

88. Primary school net attendance ratio

89. Comprehensive knowledge of HIV (%)

90. * EARLY CHILDHOOD DEVELOPMENT

91. Attendance in early childhood education

92. Adult support for learning++

93. Father's support for learning++

94. Learning materials at home (Children's books, Playthings)

Children left in inadequate care

UNFPA World Population Report Indicators

Maternal and Newborn Health

- 1 . Maternal mortality ratio(deaths per 100,000 livebirths)
- 2 . Births attended by skilled health personnel, %
- 3 . Adolescent birth rate per 1,000 women aged 15-19,

Sexual and Reproductive Health

- 4 . Contraceptive prevalence rate, women aged 15-49, any method†
- 5 . Contraceptive prevalence rate, women aged 15-49, modern method†
- 6 . Proportion of demand satisfied, women aged 15-49†

Education

- 7 . Adjusted primary school enrolment, net per cent of primary school-age children,
- 8 . Gender parity index, primary education,
- 9 . Secondary school enrolment, net per cent of secondary school-age children,
- 1 0 . Gender parity index, secondary education,

Demographic indicators

Population

- 1 1 . Total population in millions,
- 1 2 . Population aged 10-24, per cent,
- 1 3 . Population aged 10-24 in millions,
- 1 4 . Average annual rate of population change, per cent, 2010-2015
- 1 5 . Life Expectancy (male and feale) 2010-2015
- 1 6 . Total fertility rate, per woman,2010-2015
- 1 7 .

Table 1: Human Development Index and its components

1. Life expectancy at birth
2. Mean years of schooling
3. Expected years of schooling
4. Gross national income (GNI) per capita
5. Human Development Index

Table 2: Human Development Index trends, 1980-2013

Table 3: Inequality-adjusted Human Development Index

6. Inequality-adjusted HDI (IHDI)
7. Coefficient of human inequality
8. Inequality in life expectancy
9. Inequality-adjusted life expectancy index
10. Inequality in education
11. Inequality-adjusted education index
12. Inequality in income
13. Inequality-adjusted income index
14. Quintile ratio
15. Palma ratio
16. Gini coefficient
- 4: Gender Inequality Index
17. Gender Inequality Index
18. Maternal mortality ratio
19. Adolescent birth rate
20. Share of seats in parliament
21. Population with at least some secondary education (% aged 25 and above)
22. Labour Force Participation rate (% aged 15 and above)

Table 5: Gender-related development index (GDI)

23. Gender-related development index
24. Life expectancy at birth
25. Mean years of schooling
26. Expected years of schooling
27. Estimated GNI per capita

Table 6: Multidimensional Poverty Index

28. Population in multidimensional poverty
29. Population near multidimensional poverty

30. Population in severe poverty
31. Contribution of deprivation in dimension to overall poverty
(Education, Health, Living standards)
32. Population below income poverty line
(PPP=Purchasing Power Parity Theory \$1.25 a day, National poverty line)
33. Population in multidimensional poverty
(Multidimensional Poverty Index, Headcount, Intensity of deprivation)
34. Population near multidimensional poverty
35. Population in severe poverty
36. Contribution of deprivation to overall poverty (%)
(Education, Health, Living standards)

Health: Children and Youth

37. Infants exclusively breastfed
38. Infants lacking immunization (DTP, Measles)
39. Mortality rates (Infant, Under-five)
40. Antenatal coverage
41. Child malnutrition (Stunting, Overweight)
42. HIV prevalence (Children living with HIV (ages 0-14), "Youth(% ages 15–24)"
43. HIV prevention ("Condom use among young people with multiple partners (% ages 15-24)", Pregnant women living with HIV not receiving treatment to prevent mother-to-child transmission

Adult health and health expenditures

44. Adult mortality rate
45. Age-standardized death rates (from alcohol use, from drug use)
46. Age-standardised obesity among adults
47. HIV prevalence rate, adults
48. Life expectancy
49. Physicians
50. Health expenditure (Total, Out of pocket)

Education

51. Literacy rates
52. Population with at least some secondary education
53. Gross enrolment ratios
54. Primary school dropout rates
55. Education quality(Primary school teachers trained to teach, Performance of 15 year old students, Pupil-teacher ratio)

56. Expenditure on education

Command over and allocation of resources

57. Gross domestic Product (GDP)

58. Gross fixed capital formation

59. General government final consumption expenditure

60. Taxes on incomes, profits and capital gain

61. Research and development expenditure

62. Shares of agriculture, hunting, forestry and fisheries

63. Debts

64. Prices

Social competencies

65. Employment and vulnerabilities (Vulnerable employment, Youth unemployment, Unemployment rate, Child labour, Share of working poor, Length of mandatory paid maternity leave, Birth registration)

66. Old age pension recipient

67. Suicide rates

World Disaster Report

1. Total number of reported disasters, by continent, level of human development and year (2004–2013)
2. Total number of people reported killed, by continent, level of human development and year (2004–2013)
3. Total number of people reported affected, by continent, level of human development and year (2004–2013)
4. Total amount of disaster estimated damage, by continent, level of human development and year (2004–2013) in millions of US dollars (2013 prices)
5. Total number of reported disasters, by type of phenomenon and year (2004–2013)
6. Total number of people reported killed, by type of phenomenon and year (2004–2013)
7. Total number of people reported affected, by type of phenomenon and year (2004–2013), in thousands
8. Total amount of disaster estimated damage, by type of phenomenon and year (2004–2013) in millions of US dollars (2013 prices)
9. Total number of reported disasters, by type of phenomenon, continent and level of human development (2004–2013)
10. Total number of people reported killed, by type of phenomenon, continent and level of human development (2004–2013)
11. Total number of people reported affected, by type of phenomenon, continent and level of human development (2004–2013), in thousands
12. Total amount of disaster estimated damage, by type of phenomenon, continent and level of human development (2004–2013) in millions of US dollars (2013 prices) 238
13. Table 13 Total number of people reported killed and affected by disasters by country and territory (1994–2003; 2004–2013; and 2013)

UNHCR data refugees

1. Sources, Methods and Data Quality
2. Displacement Levels and Trends
3. Stateless Persons
4. Durable Solutions and New Displacement
5. Asylum and Refugee Status Determination
6. Demographic and Location Data
7. Open Statistics: Improving Response
